

Dear Scottish Youth Parliament Staff,

I am writing on the behalf of all Members of the Scottish Youth Parliament who attended the BYC United Kingdom Youth Parliament House of Commons Debate down in London on November 3rd and 4th.

The reason for me writing is to recognize and thank you all. Our trip did not go off without any hitches. The SYP Staff dealt with some exceptional circumstances, and dealt with them in their stride. The SYP Staff went the extra mile for MSYP's in their care. Ensuring we attended the event but also ensuring everyone's safety and welfare. The MSYP's felt strongly that I letter you all to say Thank You for being fantastic Members of Staff. Without you, our trip wouldn't have happened and we wouldn't have been cared for as well as we were. Given the nature of what happened, you all kept us calm (to an extent) and made us all feel together and safe when we were upset at the events.

The event itself was fantastic and we spoke to a number of amazing people, it was a fantastic opportunity for MSYP's to bond as a unit and get some time that they don't often get out with sittings where we could sit chatting for hours. Every MSYP involved had a fantastic time and I hope you enjoyed our company as much as we enjoyed yours.

The staff, at the Scottish Youth Parliament continually does an amazing job and don't often receive the recognition for the time, effort and commitment they have to the organization itself, to increasing our profile and also to the Members themselves. Therefore, on the behalf of every Member of the Scottish Youth Parliament. Thank You All so much for your continued time, effort and commitment. You are all fantastic.

Best Wishes and Kindest Regards
